Dear Bro. Rutherford,

For over a year now I have been using your books on *Denominational Doctrines*, *The Survey of the Old Testament*, *The Survey of the New Testament*, and *The Survey of World Religions* as text books in our Distance Learning School. These books are well written and very informative.

I highly recommend each of these books for personal and/or classroom study. I would also recommend Bro. Rutherford's other books.

God bless you and Brenda.
